- Server (Apache, Nginx, IIS servers)
- API (REST & SOAP)
- Algorithms and data structures

Senior Back-end Developer

My name is Anatoly Pauk and I have experience for 7+ years in the back-end development.

My skills:

Development Languages(Python, PHP)
Database and cache(MySQL, MongoDB, Oracle, SQLServer)
Server (Apache, Nginx, IIS servers)
API (REST & SOAP) Development
Algorithms and data structures

My experience and responsibility are:

Development Specialist with 7 years of industry experience and knowledge of onboarding and training employees, effectively planning strategies to meet staff development requirements. Experienced in using learning management systems. Drives training and development across all levels of the company.

Self-motivated Web Developer with a high level of experience working on multiple projects. Passionate and hardworking with a penchant for meeting deadlines. Interested in role with the company promoting best practices and offering diverse customer projects.

Logical and results-driven Web Developer dedicated to building and optimizing user-focused websites for customers with various business objectives. Judicious and creative when crafting effective websites, apps, and platforms to propel competitive advantage and revenue growth. Technically proficient and analytical problem solver with a calm and focused demeanor.

- Implemented, developed and tested installation and update of file servers, print servers and application servers in all departments
- Standardized job tasks and trained junior team members on industry best practices and standards

08/2019 - 12/2019

Upwork

Selenium/Firefox/Php Expert Needed to Create Login

I am looking for a developer to write a script that logs into Facebook, saves a cookie so that I don't need to log in again. That's all. Simple. But it needs to be scripted in Selenium / Firefox / Php, no exception. Thank you

Education

04/1991 - 04/1996

Igor Sikorsky Kyiv Polytechnic Institute
Bachelor of Engineering (B.Eng.), Mechanical engineering

07/2008 - 08/2012
